CONCERNING AMENDMENT #6 OF THE
FISCAL YEARS 2016 – 2019 TRANSPORTATION IMPROVEMENT PROGRAM

WHEREAS, the Ohio-Kentucky-Indiana Regional Council of Governments (OKI) is designated as the Metropolitan Planning Organization (MPO) by the Governors of Ohio, Kentucky and Indiana acting through the Ohio Department of Transportation (ODOT), the Kentucky Transportation Cabinet (KYTC) and the Indiana Department of Transportation (INDOT) and in cooperation with locally elected officials in the OKI region; and

WHEREAS, the Intermodal Coordinating Committee (ICC), as the technical advisory committee to OKI, has reviewed and recommended the projects listed in the resolution and recommend that they be added/amended into the Transportation Improvement Program (TIP); and

WHEREAS, all federally funded transit and highway projects in the Ohio Counties of Butler, Clermont, Hamilton and Warren, the Kentucky Counties of Boone, Campbell and Kenton and the Indiana County of Dearborn must be included in the TIP prior to the expenditure of federal funds and be listed with year of expenditure dollars; and

WHEREAS, the amendments are consistent with the *OKI 2040 Regional Transportation Plan* as adopted on June 21, 2012 and last amended on June 11, 2015, and the OKI Regional ITS Architecture adopted on March 13, 2008 and updated on October 10, 2013; and

WHEREAS, these amendments are consistent with OKI's regional air quality conformity analysis of April 9, 2015 and all changes of timing or scope to transportation conformity non-exempt projects have been included in the analysis; and

WHEREAS, the opportunity for public participation has been provided per OKI's Public Participation Plan; and

WHEREAS, the environmental justice impacts of these amendments have been considered with "Executive Order 12898 Federal Actions to Address Environmental Justice in Minority Populations and Low Income Populations"; and

WHEREAS, this amendment will result in a TIP that remains fiscally constrained: Now, therefore,

BE IT RESOLVED that the Executive Committee of the Ohio-Kentucky-Indiana Regional Council of Governments at its regular public meeting of February 11, 2016 hereby amends the Fiscal Years 2016 – 2019 Transportation Improvement Program as shown in the attached Amendment #6 highway and transit tables:

Dear Mr. Policinski:

The Kentucky Division Office of the Federal Highway Administration (FHWA) has reviewed the following documents:

**Amendment 6 to the 2016-2019 Transportation Improvement Program (TIP) for the
Cincinnati Area Metropolitan Planning Organization
(MPO approval documented on the February 11, 2016 resolution)**

and found that this amendment **included only exempt projects**. This amendment will not change the regional emissions analysis that was used to support the most recent conformity determination made on April 9, 2015. **Therefore a new air quality conformity determination is not required** under the Transportation Conformity Rule. If you have any questions, please contact me at (502) 223-6729.

Sincerely yours,

Bernadette Dupont
